

[COMPANY NAME] - Logistics Intake Guide

Welcome to the future of moving. Please review the logistics requirements below.

Level 1: Standard Access

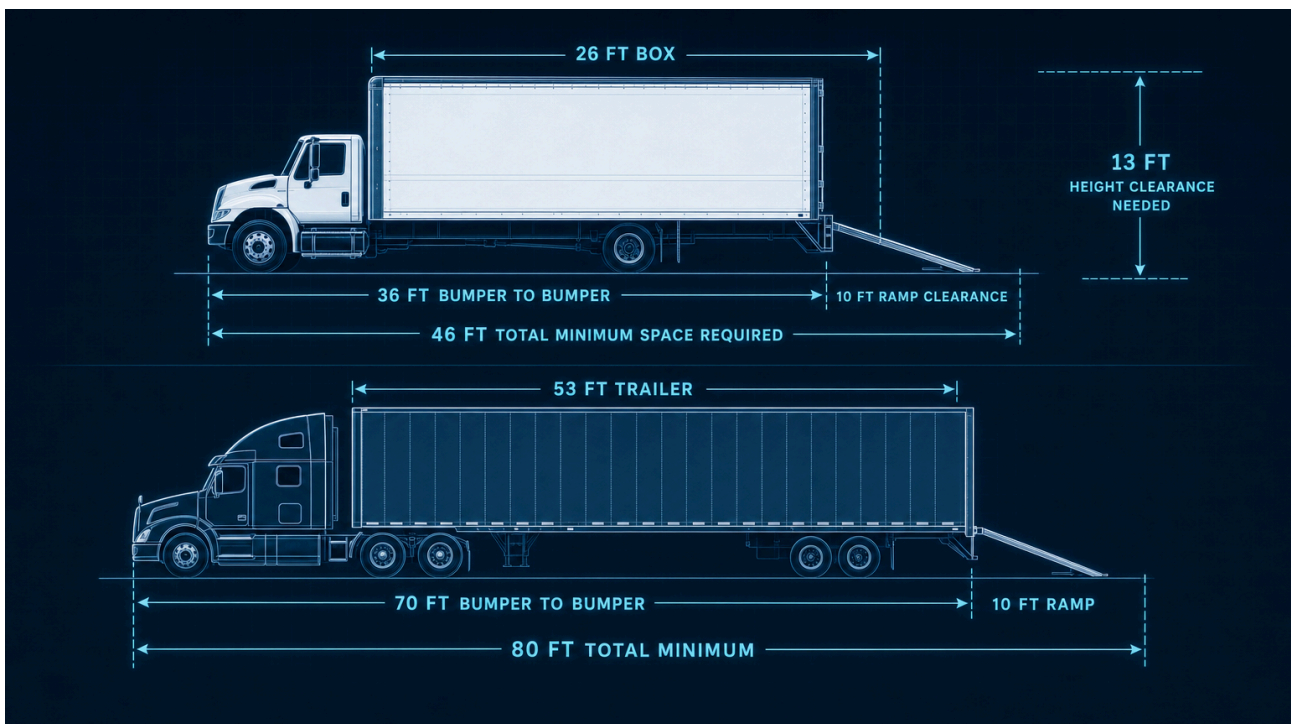

A standard move requires 46ft of clear space, no stairs, and no elevator restrictions.

Level 5: Expert Access

Expert moves involve long carries, multiple flights of stairs, elevator reservations, and parking permits.

Truck Dimensions

Our 26ft box trucks require 46ft of total space. Semi-trailers require 80ft.
